race track should be well patron- achieved a success which would be surprising but for the known ability of the proprietor. Mr. Dougherty of the proprietor. Mr. Dougherty began business here a good many years ago, and the success which he is meeting with is a criterion by which one may judge of the cap-abilities of this enterprising gentleman. The store is situated on Gurley street, is large and roomy and well stocked with a superior quality of goods. In connection therewith Mr. Dougherty runs a first-class livery and sale stable, where teams can be hired at reasonable figures.

> C. L. Bache. At the present time, when so many mines are being opened up in Yavapai county, and so many men prospecting, it is a very important piece of information to learn where there is a first-class assay office. There is none which can be more The Lone Star Minstrels gave thoroughly recommended than that universal satisfaction at their last of Mr. C. L. Bache, who has just mw2t Mr. Bache is by no means a stranger Governor L. C. Hughes and the to Arizona. He has been here for members of the Board of Control | years. As far back as 1872 he was employed in the mill at the Tiger are expected here to-morrow. The party will be entertained by the mine, after which he went to Tombassay office at that place. The Treadwell Company of Alaska, recognizing his ability, offered him extra inducements to go to that country. After he had fulfilled his contract with the Treadwell Co.he decided to cast his lot in our midst once again, and is now ready for business. Mr. Bache is a Philadelphian. He was engaged in the assay and melting department of the United States mint, in the city

> Leonard Brisley. Prescott is blessed with a number of young business men gifted with more than the ordinary amount of ability. Prominent amongst these cott Journal Mines was an excellent is Leonard Brisley, the popular one, eight columns to the page, young man who is proprietor of the most entertaining and irstructive tobacco establishment on Montematter concerning Yavapai's great zuma street. He is a thorough industries of mining, agriculture business man, energetic, capable and and stock rearing. The Journal painstaking, and bids fair, in time, MINER is evidently contemplating a to reach the top round of the ladder vigorous entrance into modern of mercantile success.
